

## **Anytime**

*Check-in on a specific concern/accommodation.*

Dear teacher,

Thank you for all you do to meet the needs of all your students. I appreciate how you have worked with \_\_\_\_\_ on \_\_\_\_\_. (Give a specific example(s) of how this teacher has made a difference). Can you tell me how \_\_\_\_\_ (a specific accomodation) is working for both you and \_\_\_\_\_?

I also wanted to let you know that \_\_\_\_\_ (season, certain month, etc) tends to be a trigger for \_\_\_\_\_. You may see her \_\_\_\_\_. (what teacher should look for) Though you & I know she is safe, her body & brain are working against that. Please let me know if you see any of these behaviors during school.

If you are looking for more information on how you can implement a few strategies into your classroom, the Karyn Purvis Institute for Child Development has a website for teachers with great resources. <https://child.tcu.edu/tbri-for-teachers/>

Please let me know how we can best work together as team & support you at home.
