

Mid-Year - A Few Weeks Before Conferences

The goal here is so that you are NOT surprised at conferences!!

Thank you for a fantastic start to the school year. I appreciate you _____ (*share something specific the teacher has done to help your child succeed*).

I'm looking forward to connecting with you at conferences in a couple of weeks. I wanted to touch base & see if you have any concerns regarding _____'s school work, behavior or social interactions. I've noticed _____ & wondering if you have seen any of the same things at school.

Share ONE thing you've learned about trauma, brain development, social-emotional learning, etc & how it specifically relates to your child & the classroom.

Thank you again. She has _____ (*something positive you've seen in your child since the start of school*).

Please let me know how we can, at home, best support what you are doing at school.

***NOTE: THIS is especially true as your child moves toward high school.

As we look towards next year & the accommodations set in place, do you have any recommendations of changes so that _____'s IEP(504) is appropriate for ___ grade or the high school level?
